

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that [Maharaja M] has successfully completed the internship program with **Bluecode Consulting** (a vertical of Bluecode Solutions) in the domain of **Data Analytics**.

Internship Details

- **Role:** Data Analytics Intern
- **Start Date:** 24TH April 2026
- **End Date:** 24TH May 2026
- **Duration:** 30 Days

Core Focus Areas of the Internship

During the internship period, the intern was engaged in the following key learning and practical exposure areas:

- Data analysis and interpretation using structured datasets
- Hands-on exposure to tools including Excel, Python, SQL, and Power BI
- Data visualization, reporting, and dashboard preparation
- AI-assisted data analytics techniques and workflow understanding
- Analytical problem-solving and insight generation
- Participation in project-based assignments, training sessions, and performance evaluations

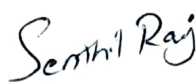

Learning Outcomes

The internship provided practical exposure to real-time data analytics processes and industry-oriented analytical practices. The intern gained foundational experience in data handling, visualization, reporting, and data-driven decision-making methodologies.

General Remarks

- The internship was completed successfully in accordance with company guidelines and expectations
- The intern demonstrated commitment, professionalism, and active participation throughout the internship period
- Assigned activities and project deliverables were completed within the stipulated timelines

We appreciate the intern's contribution and dedication during the internship tenure and wish them continued success in their future academic and professional endeavors.

Senthil R. Jagadeesh
Director – Human Resources
